POLITICAL ENGAGEMENT & OUR BAPTISMAL CALL:

In their statement on *Forming Consciences for Faithful Citizenship*, the U.S. Catholic bishops remind Catholics about the call to participate in political life. “In the Catholic tradition,” they write, “responsible citizenship is a virtue, and participation in political life is a moral obligation” (no. 13). Visit [FaithfulCitizenship.org](https://www.faithfulcitizenship.org) today to read the statement, along with a new letter, [watch new videos](#), and access other great resources. The California Bishops have also put out some resources and they can be accessed at <https://www.cacatholic.org/elections>

MEMORIAL MASS: Our annual remembrance of those who have died this past year (from November 2019-October 2020) will take place on Saturday, November 7 at the 5:00 PM mass. Photos of our deceased loved ones will be displayed in the church during the month of November. If you would like to have someone remembered at this time, please email your deceased loved one’s name and/or photo to Karen Victorino at kmvictorino@sbcglobal.net or call her in the parish office **no later than Sunday, November 1**. It is very important that the name is received by this time to ensure that your loved one’s name gets placed on the wall. **Important Notes:** You will need to make a reservation to attend this mass in person, please call or email Karen by November 1 as we open up reservations to the public on Monday, November 2 at 9:00 AM. If you have submitted a name you will receive a candle when you enter the church and then when your loved ones name is called you will stand at your seat and the light will be brought to you.

THE MASS NEVER ENDS—IT MUST BE LIVED!

We are invited to continue to reflect upon the Gospel reading (Matthew 22:15-21) and homily as we live out our Eucharist this week. Reflect upon it in your heart and mind, and discuss it with your family, friends and faith community members.

- Have you ever tried to discredit someone, make them look bad because you thought they were a problem?
- Do you sincerely honor and obey Jesus at all times in your heart, or do you just "play" at being a Christian?
- Do you ever find yourself paying more attention to some earthly claim on your time, talent or treasure than God's complete sovereignty over your life?

WOULD YOU LIKE A MASS OFFERED FOR A LOVED ONE? We are still able to take mass requests for daily mass or for the weekend.

Please email Jolene at jamcfeely@sbcglobal.net and she will be happy to set up a date for you. The donation per mass is \$10.00. You can mail in a check or pay with your credit card. Thank you!

POPE FRANCIS NEW ENCYCLICAL! Pope Francis doesn't write many encyclicals, but when he does, they're game-changers! *Fratelli Tutti (Brothers and Sisters All)* is his first since *Laudato Si'* in 2015, and it's a powerful pastoral statement and critique of many disturbing trends in our world today. You can read/download the entire 92-page document [here](#), or you can read/download a 21-page overview [here](#). A two-page summary is available [here](#), and Questions and Answers [here](#). OUTREACH

FOOD PANTRY: Our Food Pantry continues to serve the needs of the poorest of our community each Monday and Friday morning from 10:00 AM to noon. Thanks to being an official distribution center for the Second Harvest Food Bank, and your generous donations, we have plenty of food to offer those who need it. We are able to purchase what we need from the Food Bank at a fraction of retail cost thanks to your generous donations, and we

receive many free things from the Food Bank as well. We are so grateful for our generous volunteers who come each week to serve the clients and to make the food bags and keep everything organized. Truly Christ is revealed in the breaking of the bread!

BROWN PAPER BAGS: We have plenty for the food pantry so we *don't* need any at this time. Thank you!

SHELTER UPDATE: Our round-the-clock shelter continues to operate smoothly in Markey Community Center. Our little "family" of 17 beautiful people are able to shelter-in-place thanks to the gift of our center. They spend their time quietly reading, doing puzzles, keeping everything spotless, watching TV and movies, and enjoying our beautiful grounds in the lovely spring weather. During the shelter-in-place order, meals are being brought in by local caterers and restaurants, and we thank them for this wonderful, compassionate service! Shelter staff are onsite 12 hours each day to provide support, and one of the guests serves as the overnight monitor. Our mobile shower unit is on-site three days a week, and we thank our faithful and brave volunteers for providing this service. Our guests are so very grateful for our hospitality and want you to know it! Thank you for your ongoing support of the parish which makes it possible for us to be of service to others!

MANTLES OF CARING: The members of Mantles of Caring are occupying their isolation time with knitting and crocheting. There is a lovely array of handmade items available for your selection. Would you like a lovely, soft cap for a cancer patient? Perhaps, a baby blanket for a new grandchild? Or a prayer shawl for a Covid-19 patient? These items and more are available now. Contact Sue Panches (831) 661-0783 to find exactly what you are looking for and how to get it. Thank you and be safe.

"SAFE SPACES" PARKING HOSPITALITY Some people without homes live in their vehicles, whether they be cars or vans or RV's. Resurrection has joined with other faith communities and organizations in Santa Cruz County to provide safe and supervised overnight parking for some of these brother and sisters. The program is managed by the Association of Faith Communities, of which Resurrection is a founding member, and which also manages our shelter program. We currently have two guests staying in their camper vans at night, safe and secure. We had electrical outlets installed in two of our lamp posts to provide power for our guests. It cost around \$2,500 to do this. If you'd like to contribute to this, you may make a donation to the parish for "Safe Spaces."

A Reflection by Erma Coty

October is a special month on the Catholic calendar. We celebrate the Feast of the Holy Rosary on October 7th. The whole month has long been considered a Marian month even though May was specifically recognized by Pope Pius XII in 1945 when

he dedicated May 31st to the Queenship of Mary (Now the Celebration of the Visitation).

Italians celebrate the feast of St. Francis of Assisi, the patron saint of animals and ecology, on October 4th. His hometown of Assisi is a UNESCO world heritage site. It was here that St. Francis is known to have created the first Creche to honor the birth of Jesus in a humble manger. Today, many parishes hold a blessing of the animals in honor of the special love Francis had for all living creatures.

However, we are probably most familiar with the October 31st feast of All Saints Eve, better known as Halloween. The feast which is celebrated in the Celtic tradition as Samhain, the end of harvest and the beginning of the dark seasons. In the Mexican Community October 31st begins a 3 day celebration known as the Day of the Dead. The Disney movie Coco helped me understand the significance of the Dios de Los Muertos, with its traditions and beautiful art. And, lest we forget, the clocks "fall back" to end daylight savings time (the night of October 31st).

We are now in mid-month and perhaps wondering where the time has gone. We have become accustomed to the new routines we follow in the days of the COVID-19 pandemic. I find I appreciate that I am compelled to get creative in meal planning to avoid unnecessary trips to the grocery store. I am able to better appreciate the view from my windows and the sounds of nature that are easier to hear with the decrease in traffic. Another unintended consequence of staying home.

It has taken almost eight months but I finally have settled in to a new routine that no longer feels like an extended and boring forced vacation. There are fewer distractions outside that "need" to be attended. And, then, there is the realization that the pandemic is unlikely to be resolved before 2021, making it more reasonable to start long range projects. So it is time to stop procrastinating and work on the things I have successfully avoided during the past few months.

In other words it is time to make a list of priority jobs (and of course check it twice) and focus on the most necessary task. It is interesting that individuals have different ideas about what is necessary, or what is needed. My rule of thumb is to keep things simple. My needs are few compared to my wants. So determining what is necessary is far less daunting than it seems. And that leads me back to St. Francis. He is remembered for saying

"Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."

His words help me to prioritize my tasks and still accomplish more than I expected.
