YOUR AMA DOLLARS AT WORK! August was a very busy month with repairs to the church. The windows are done. There is still scaffolding around the church since repairs are still being made. Most of the work is complete. If you haven't given to the Annual Ministries Appeal (AMA) yet and want to contribute to help with the fascia repair, donation envelopes are available on the bulletin counter or you can go to <https://dioceseofmonterey.org/giving>. Be sure to choose Resurrection so that we receive credit. Many thanks for your faithful and generous support of the parish. We are very grateful!

REMINDER: If you still have an outstanding AMA pledge. The pledge period ends December 31. Please be sure to pay off your pledge by that time. Thank you so much for your generosity!

You can listen to or read the readings, watch a reflection video. You can also sign up to get the readings emailed to you every morning.

There is also the option to read them in Spanish.

THE MASS NEVER ENDS—IT MUST BE LIVED!

We are invited to continue to reflect upon the Gospel reading (Matthew 18:15-20) and homily as we live out our Eucharist this week. Reflect upon it in your heart and mind, and discuss it with your family, friends and faith community members.

- When have you had to talk to someone about how they had hurt or wronged you? What happened?
- How well do you follow Jesus' teaching about going first to the person who has wronged you before discussing it with others?
- How do you like to be treated by someone when you have hurt or wronged him or her?
- How do you gather with one or more others to ask God's help in daily matters?

WOULD YOU LIKE A MASS OFFERED FOR A LOVED ONE?

We are taking mass intention requests for daily masses and weekend masses. Please email Jolene at jamcfeely@sbcglobal.net and she will be happy to set up a date for you or come by the office during office hours. The donation per mass is \$10.00. You can mail in a check or pay with your credit card. Thank you!

SATURDAY MORNING MEDITATION GROUP

Anyone is welcome to attend the non-denominational mindfulness meditation group that meets each Saturday at 8:30AM in the Daily Mass Chapel. If you have thought about trying meditation, here is the opportunity you've been waiting for!. People from several area congregations gather promptly at 8:30 AM each Saturday for a brief introduction to the meditation followed by 25 minutes of silent prayer. The session ends with a few words of "inspiration" for the week. There are no dues to pay nor tickets to buy—only peaceful silence to share. Please join us for a wonderful way to begin your Saturday with plenty of time left to get to Farmers' Market and to enjoy other weekend activities. For more information, contact Pat O'Brien (831) 566-8234. Blessings!

CARE FOR OUR COMMON HOME

It has been eight years since Pope Francis published his ground-breaking encyclical *Laudato Si – On Care for Our Common Home*. In it he laid out the moral imperative for all Catholics and for all of humanity to make changes in our lives to lessen the effects of our behavior on climate change, for the sake of the vulnerable now, and for the sake of generations to come. We can all be more conscious of how our individual, daily choices either increase greenhouse gases or reduce them. This can all seem overwhelming and hopeless at times. What difference can I make? We need to work together to educate and encourage one another in the moral imperative to change our ways. Our longtime friends at Temple Beth El and other local faith communities have invited us to join with them in this work. As we have seen in our other collaborations with faith communities (AFC, COPA, Mid-County Homeless Coalition), when we join together with other people of faith

and good will, good things happen!

We have a Zoom meeting on the third Wednesday of each month at 7:00 PM (next meeting September 20th) and discuss how we can work together to make better choices and to advocate for better policies and practices in our region. For the meeting link or for more information contact Deacon Patrick at pfconway@sbcglobal.net

Pope Francis in the News August 2023

Pope Francis is writing a second part of Laudato Si' which should be published by October 4th. The Director of the Holy

See Press Office says the second part of the Laudato Si' encyclical letter which Pope Francis will focus on the recent climate crises. Pope Francis said the second part of his Laudato Si' encyclical will update it to reflect current conditions. The document addresses issues such as climate change, care for the environment, and the defense of human life and dignity.

"We must never forget that the younger generations have the right to receive a beautiful and livable world from us, and that this implies that we have a grave responsibility towards creation which we have received from the generous hands of God," said the Pope.

In other news from the Vatican, Pope Francis emphasized that Jesus is a living and relevant figure in our lives. The Pope said, "we are not alone on the path of life, because Christ is with us and Christ helps us to walk, as he did with Peter and the other disciples."

"Let us not be discouraged if at times the summit of the Christian life seems too high and the path too steep," he added.. "Let us look to Jesus — look to Jesus always — look to Jesus who walks beside us, who welcomes our frailties, shares our efforts and rests his firm and gentle arm on our weak shoulders. With him close at hand, let us also reach out to one another and renew our trust: with Jesus, what seems impossible on our own, with Jesus we can go forward."

Interesting Health Updates

The following article discusses the effect of taking medications at the same time that folks are enjoying a cup of coffee. The article reviews the effects of coffee on a list of meds commonly used by many seniors. The primary concern seems to be learning to take meds properly. Especially important is timing. Using coffee instead of water to help swallow a pill may affect the potency of a drug. So read the article if you like. And definitely discuss the best way to take your meds with a qualified medical provider or with a pharmacist.

Nutrition tips

One of things I have noticed as I have gotten older is a decrease in appetite. Of course it is not accompanied by appropriate weight loss, but that is another problem all together. Getting proper nutrition, especially protein and vegetables, can be difficult. I think this is especially true for proteins. So, the following article was especially helpful. It lists high protein plant based foods. I found there are many deli soups and salads that are available at my local grocery store that I can turn to for a high protein meal or snack.

**Resurrection
Catholic Community**

Established in 1966 as a mission of
St. Joseph's of Capitola, Resurrection
officially became its own parish in the
Diocese of Monterey in 1968.

Resurrection serves over 1000 families
in the greater Aptos area and hosts many
Catholic families who visit the beaches
and resort areas of the county.

We strive to be a community of faith
where all are welcomed, nourished, and
empowered to be Christ for others.
