## MARKEY COMMUNITY CENTER PROJECT UPDATE

After 4 1/2 years, our insurance claim for the February 2020 tree damage to Markey Community Center has finally been negotiated and permits for the repairs have been granted!

In addition to repairing the actual damage to the hall, the county is also requiring that our building be brought up to current codes, including fire sprinklers, kitchen upgrades, ADA bathrooms, and ADA path-of-travel for the entire property.

The work will accomplish some of our original remodel project, which will be completed at a future date. (For insurance purposes, we had to separate the two projects so that all the work required to repair the damage and meet current building codes would be paid for with the insurance settlement.)

New bathrooms will be built in a new location to the corner of the hall where the stage is now located. The old bathrooms will be repurposed in the future remodel project.

Our contractor would like to get started as soon as possible. The preparatory phase will begin in September with the installation of a temporary office trailer and a smaller Food Pantry trailer in the center of the parking lot across from the church entrance. Also, during September everything in Markey Community Center will have to be moved out and put in storage or used in the temporary office trailer. The contractor plans to start work on the Center October 1st and hopes to finish in 12 months. (If possible, we'd like to start the rest of our remodel project near the end of the repair project, so this may extend the overall work time.)

This, of course, will impact most of our ministries and activities, and we will gracefully adapt! Our Tuesday homeless shelter will be hosted by other churches in the AFC network.

We knew this day was coming when we started the remodel campaign five years ago, but its rather sudden arrival is something of a reality check!

Let us patiently endure this time of change with generosity, hope, and gratitude for a better, safer, and more accessible community center!

Please be patient with us as well. We don't know all the answers yet and know you may have questions. We'll update you when we have more information.

**Pledges:** Thank you to everyone who donated to the building project and have continued to donate and pay of their pledges. Most of the five year pledges have been completed. As of today we have collected slightly over \$1 Million with less than 20 outstanding pledges with a total balance of about \$45,000. Some of these pledges were extended beyond five years.

## DAILY READINGS:

<https://bible.usccb.org/daily-bible-reading>

You can listen to or read the readings, watch a reflection video. You can also sign up to get the readings emailed to you every morning.

## THE MASS NEVER ENDS—IT MUST BE LIVED!

We are invited to continue to reflect upon the Gospel reading (Mark 7:1-23) and homily as we live out our Eucharist this week. Reflect upon it in your heart and mind, and discuss it with your family, friends and faith community members.

- Have you ever been upset or insulted when someone didn't follow rules or customs that you thought were "right" or important?
- Have you ever been upset by rules or customs that seemed stupid or legalistic?
- Jesus says that the evil in the world that hurts people comes from within people. When you read his list of inner evils, which ones do you recognize in you?

## SATURDAY MORNING MEDITATION GROUP

Everyone is welcome to attend the non-denominational mindfulness meditation group that meets each Saturday at 8:30 AM in the Daily Mass Chapel. If you have thought about trying meditation, here is the opportunity you've been waiting for!. People from several area congregations gather promptly at 8:30 AM each Saturday for a brief introduction to the meditation followed by 25 minutes of silent prayer. The session ends with a few words of "inspiration" for the week. There are no dues to pay nor tickets to buy—only peaceful silence to share. Please join us for a wonderful way to begin your Saturday with plenty of time left to enjoy other weekend activities. For more information, contact Pat O'Brien (831) 566-8234.

## CARE FOR OUR COMMON HOME

We are working with other faith communities to learn how we can work together to make better choices and to advocate for better policies and practices in our region to reduce our human impact on climate change. We can all be more conscious of how our individual, daily choices either increase greenhouse gases or reduce them. This can all seem overwhelming and hopeless at times. What difference can I make?

**Pope Francis** published a follow-up to his groundbreaking 2015 encyclical *Laudato Si, Laudato Deum* "Praise God". (Read *Laudato Deum* on our website <https://resurrection-aptos.org>, under Resource Center under Faith Formation.) In it Pope Francis reiterates the **moral imperative** for all Catholics and for all of humanity **to make choices** about what we drive, what we eat, what we wear, what goods we buy that lessen the effects of climate change, for the sake of the vulnerable now, and for the sake of generations to come.

 **WELCOME**   
 to  
**Resurrection**  
**Catholic Community**

Established in 1966 as a mission of St. Joseph's of Capitola, Resurrection officially became its own parish in the Diocese of Monterey in 1968.

Resurrection serves over 1000 families in the greater Aptos area and hosts many Catholic families who visit the beaches and resort areas of the county.

We strive to be a community of faith where all are welcomed, nourished, and empowered to be Christ for others.
