SATURDAY MORNING MEDITATION GROUP

Everyone is welcome to attend the non-denominational mindfulness meditation group that meets each Saturday at 8:30 AM in the Daily Mass Chapel. If you have thought about trying meditation, here is the opportunity you've been waiting for!. People from several area congregations gather promptly at 8:30 AM each Saturday for a brief introduction to the meditation followed by 25 minutes of silent prayer. The session ends with a few words of “inspiration” for the week. There are no dues to pay nor tickets to buy—only peaceful silence to share. Please join us for a wonderful way to begin your Saturday with plenty of time left to enjoy other weekend activities. For more information, contact Pat O'Brien (831) 566-8234.

MARKEY COMMUNITY CENTER PROJECT UPDATE 9-26-24

After 4 1/2 years, our insurance claim for the February 2020 tree damage to Markey Community Center has finally been negotiated and permits for the repairs have been granted!

In addition to repairing the actual damage to the hall, the county is also requiring that our building be brought up to current codes, including fire sprinklers, kitchen upgrades, ADA bathrooms, and ADA path-of-travel for the entire property.

The work will accomplish some of our original remodel project, which will be completed at a future date. (For insurance purposes, we had to separate the two projects so that all the work required to repair the damage and meet current building codes would be paid for with the insurance settlement.)

New bathrooms will be built in a new location to the corner of the hall where the stage is now located. The old bathrooms will be repurposed in the future remodel project.

Our contractor would like to get started as soon as possible. The preparatory phase will begin in late September/early October with the installation of a temporary office trailer and a smaller Food Pantry trailer in the center of the parking lot across from the church entrance. We are currently packing up everything in the hall and getting ready for the move into either storage or the temporary office trailer. The contractor will start in October. The construction will take at least a year. (If possible, we'd like to start the rest of our remodel project near the end of the repair project, so this may extend the overall work time.)

This, of course, will impact most of our ministries and activities, and we will gracefully adapt! Our Tuesday homeless shelter will be hosted by other churches in the AFC network.

Let us patiently endure this time of change with generosity, hope, and gratitude for a better, safer, and more accessible community center!

WE'RE ON THE MOVE...We will be packing up the hall in preparation of moving into the trailers this week (September 30-October 4). We won't be able to respond as quickly to your needs as we usually do. We will respond as soon as we can. If it is something that can wait... we'd appreciate you waiting until we've moved. We may be without phones & internet at times during the move (October 7-11).

DAILY READINGS:

<https://bible.usccb.org/daily-bible-reading>

You can listen to or read the readings, watch a reflection video. You can also sign up to get the readings emailed to you every morning.

THE MASS NEVER ENDS—IT MUST BE LIVED!

We are invited to continue to reflect upon the Gospel reading (Mark 9:38-43, 45, 47-48) and homily as we live out our Eucharist this week. Reflect upon it in your heart and mind, and discuss it with your family, friends and faith community members.

- What is your attitude towards people who are not a part of your national/racial/ethnic/social/economic/religious group? Do you accept their customs, practices etc. as being as valid as your own?
- What is your attitude toward non-Catholic Christian ministers? Do you consider their ministry to be invalid or not as good as ministry done by Catholic priests?
- What things or people in your life are leading you to go astray from the way of Christ? What things or people are you letting keep you from following Christ more fully? What changes do you need to make?

THE ASSOCIATION OF FAITH COMMUNITIES (Santa Cruz) has been operating overnight shelter and shelter dinner programs at Resurrection since early 2016 to help people in need within our community. The ministry consists of 8 food teams, The teams rotate in numerical order, **meaning that each team preps and serves a dinner for about 16-18 people once every other month.** In general, the teams work out the specifics on a rotating basis: 1 or 2 people bring the main dish, 1 person brings salad, 1 person brings veggie or another side dish, 1 person brings dessert, 1 person brings drinks and a breakfast snack...or some variation of this schedule. We are currently looking for additional volunteers to support this ministry. We encourage all volunteers to stay and share the meal with our shelter guests. Please note that Resurrection Church's Markey Community Shelter will be under construction beginning October 2024. The shelter will be located at various churches within the area. If you have any questions or would like further information, please contact the program coordinator, Pat Lorenzo by e-mail at pat.lorenzo336@yahoo.com or by phone at 831-708-2068.

CARE FOR OUR COMMON HOME

We are working with other faith communities to learn how we can work together to make better choices and to advocate for better policies and practices in our region to reduce our human impact on climate change. We can all be more conscious of how our individual, daily choices either increase greenhouse gases or reduce them.

This can all seem overwhelming and hopeless at times. What difference can I make?

Pope Francis published a follow-up to his ground-breaking 2015 encyclical *Laudato Si, Laudato Deum* "Praise God". (Read *Laudato Deum* on our website <https://resurrection-aptos.org>, under Resource Center under Faith Formation.) In it Pope Francis reiterates the **moral imperative** for all Catholics and for all of humanity **to make choices** about what we drive, what we eat, what we wear, what goods we buy that lessen the effects of climate change, for the sake of the vulnerable now, and for the sake of generations to come.
